DUCKETT STEEL & EQUIPMENT CO. North Main Street

By WILLIAM MILLER TAIPEI (UP) - U.S. Army. secretary Robert E. Stevens left day for Washington apparently convinced there was no immediate threat of war in the Far East despite scary reports of Matsu "Invasion threat" in lationalist press. The Nationalist Air Force said wave of F-17 fighter-bombers attacked Communist ship concentrations off the Fukien coast today and damaged four Red gunboats. Two gumboats were shot up at Meichow bar midwar between Matsu and Quemoy Two others were shot up in an afternoon attack within sight of Quemoy. The Nationalists also announced "light" artillery due between

Nationalist and Communist artil-The English language China News, quoting "well-informed sour ." said a big fleet of Communist junks and gunboats were oncentrating near the Matsu is lands and that the air force and navy had rushed units to the area Official sources discounted the reports and Stezeus told reporters did not think war here was 'imminent." He declined to elaborate on his belief but said it apneared that Americans were more oncerned over the likelihood of var than the people on Formosa.

LOWESI-PRICE CAR

IN "ALL 3" TO GIVE YOU ALL THIS IS PLYMOUTH!

TOP SIX

UPLIFTING WORK - Sitting

appears with the Ganjou Broth

ers acrobatic dance team. Of-

Texarkana Track

The thristiest, smoothest six in the low-price 3—that's Plymouth's Power-Flow 117! Its high compression ratio, combined with exclusive Chrome-Scaled Action, gives you more power from less gas, and velvet-smooth performance. You'll enjoy lightning acceleration, thanks to a special metering system in the carburetor. And the PowerFlow thrives on regular, not premium grade, fuel.

TOP SIZE

The biggest, longest, roomiest car of the low-price 3-that's Plymouth! Brilliant new Forward Look styling gives you more glamor outside, more luxury inside; plus the new Full-View windshield, swept back to give the greatest visibility in the low-price 3. And Plymouth's big size means you and your passengers will enjoy the smooth, steady ride that only a truly big car can give you.

Plymouth is the only low-price car to give you at no extra cost such extra value features as: electric windshield wipers, Safety-Rim wheels and an independent parking brake for greater safety ... Oriflow shock absorbers for a smoother ride . . . an Oilite fuel filter and oil bath air cleaner for lasting economy. See and drive a Plymouth today-see why it's your best-buy low-price car!

TOP VALUE

WHY PAY UP TO \$1099 MORE FOR A CAR SMALLER THAN PLYMOUTH? Don't be fooled by the claims of so-called mediumthat, model for model, Plymouth sells for much, price cars that they cost practically the same as much less than medium-price cars, and gives you Plymouth. When you compare price tags you'll find more car for your money!

ALL-NEW PLYMOUTH Above: actual photo of the Plymouth Belvedere Club Sedan.

Ask your Plymouth dealer for the low price on this and twenty-one other smart Plymouth models. Our Daily Bread

Sliced Thin by The Editor Your Editor Gets

a Question and Gives an Answer Editor The Star: Recognizing you as the authority on Arkansas sales NUC ear Power tax matters I wish you to answer these questions: e'Is there any Arkansas industry other than farming which pays a 2% tax on raw materials? Such as 2% tax on raw materials? Such as

cloth for the clothing factory, flour

Hope Route Four.

impression that the Arkansas sales tax law has shown much discrimination against the farmers and Atomic Energy Commission and rounged today that form nounced today that four groups poultrymen and that the recent act of the legislature was to partially power "demonstration" plants of this wrong.

Agriculture pays a large share of 1000 000 and governts 455 000 kilo 000,000 and generate 455,000 kilo the sales tax in consumer goods with no complaint, but the feed, seed and fertilizer tax amounts to a transaction tax and unless industry is ready to risk manager of the sales tax in consumer goods watts of electricity.

AEC Chairman Lewis L. Strauss hailed the proposals as proof that industry is ready to risk manager. to a transaction tax and unless shared by all producers within the on atomic energy. state should stand corrected.

Or am I wrong? Yours truly

On a tomic energy.

They were made under the AEC's A. W. BIORSETH recently announced power demonstration reactor program. . making them would pay 80 to 90 per cent of the costs with the Registered Herefords commission paying the rest.

newspaper, etc.?

I have a long been under the by Four Groups

or the courts, the actual tax base of the sales levy has been steadily broadened far beyond the consumers' realm — until today it reaches faito, all forms of production, both agricultural and industrial. The figures are astronomical.

The sales tax yielded only 4 or 5 million dollars a year in the begin of the four power demonstration. The sales tax yielded only 4 or 5 dated Edison's.

The sales tax yielded only 4 or 5 million dollars a year in the beginning. I state this authoritatively, for I have in front of me the official 1952-54 biennial report of the Array kansas Department of Revenues, which gives the exact yearly totals of the commission for the program. It which gives the exact yearly totals of the commission for the program. It would be a sked Congress for \$75,000,000 power and resources to the North of the sales tax yielded only 4 or 5 million dollars a year in the beginning. Of the four power demonstration proposls, the AEC said they will be considered on a competident Eisenhower today signed his southern sections.

WASHINGTON (UP) — President for the west and is the control of the array and southern sections.

Gusty winds, which wrecked over some buildings and knocked over some the commission for the program. It would be considered on a competidation proposal, the AEC said they will be considered on a competidation proposal, the AEC said they will be considered on a competidation proposal, the four power demonstration to the west and is sections.

Gusty winds, which wrecked apples escaped the freeze. Triesday night, continued to blow, but they were not powerful enough to cause damage.

Said Congress of potatoes of to finance the program in the year Atlantic Treaty Organization. Hailstones ranging up to three-\$60,000 for operating expenses. But for the fiscal year ending starting July 1. ine 30, 1954, the tax brought year it is running above \$30,000,000. You don't expand tax revenues from 4 or 5 millions to 30 millions without breadening the base without broadening the base, obviously.

The result is double-taxation, and of Floating

you meet it on every street and alley and on every country road, all over Arkansas. The Star bought a \$900 routing machine in Little Rock and absorbed \$18 in sales tax. That goes on all the time with our purchases of everything but the largest out-of-state machines, and the same is true of other mechanical plants and industries. We have a sizable annual sales tax bill that we have to absorb and much of the same of the 10th shot of the current nuclear series on the Nevada and free them from occasions and the same of the 10th shot of the current nuclear series on the Nevada and free them from occasions and free them from the blast and free them from the blast and free them from occasions and free them from the blast and free them free blast and free them from the blast and free them from the blast and free them free blast and fr

the same is true of other methan, the same is true of other methan and industries. When the part of the 10th shot of the current controls in the true part and the special property assessment is 8,000, and prope

stead county.

I pleaded with the people last exposed to between one and two property assessment reform — and they wouldn't listen.

No one lax — not even the sales tax — is going to carry Arkansas' whole load. It takes a combination of property tax, sales tax, and income tax, plus all the excise taxes the legislators can think up.

on Referral of Feed Tax Exemption Bill

In our edition of April 6 in th

Lity (April 7 on the mail) we Tinted Karr Shannon's column on the referral question from the Arkansas Democrat of April 4. Mr. Shannon later telephoned me that slipped a decimal point in one the calculations, and the error Charles D. Hawks, manager of the Trkansas Poultry Federation, that rkansas' gross income from

altry in 1954 was 6 million less han in 1953. Mr. Shannon originally wrote that the sales tax at one-half cent per pound figured \$78,525, and without it the industry would have \$5.921.472 less than in \$785,250 - not \$78,525 - and the defleit under 1953 with the tax off \$5,214,750. not \$5,-For the sake of the record we are ecating the same correction the Democrat made, and if you are keeping a file on this matter your Editor The Star: At our last
